Hello,

Enclosed is your **Certificate of Contractor Registration**. Please keep this document as proof of your registration.

This Certificate is valid for two (2) years, unless revoked or suspended.

If you bid or commence work on a public work project or covered private project without being properly registered, you may be subject to a civil penalty and denial of your registration application pursuant to NYS LL § 220-I(8).

If your registration or a subcontractor's registration lapses while performing contracted work on a covered project, the work for that project may be completed.

If you are determined unfit and your certificate is revoked or suspended, then a monitor approved by the Commissioner must be appointed to oversee the completion of the work at your expense.

If your certificate is to be suspended or revoked for any reason, you will receive a notice and an opportunity to contest at a hearing prior to the suspension or revocation taking effect.

Please note that any subcontractors or independent contractors you hire to work on a public work or covered private construction project must obtain their own Certificate of Contractor Registration to perform such work.

If you allow a subcontractor or independent contractor to perform work on a public work or covered private project without being properly registered, you and the other contractor may be subject to a civil penalty and revocation/suspension/denial of your registration pursuant to NYS LL § 220-I(8).

Any project where work is performed in violation of Contractor Registration requirements, or any provisions of NYS Labor Law Article 8, is subject to the issuance of a Stop Work Order, pursuant to NYS LL § 224-B.
